03 SANITISER GEL & SOLUTIONS

SE-AHW

80% Alcohol Wipes

Non-woven wipes impregnated with 80% denatured alcohol solution to provide a sterile cleaning wipe suitable for high level medical disinfection. These wipes can be used on all hard surfaces (except clear plastic) where rapid sanitising is required.

SE-BAC

Covid-19 BAC Based Disinfectant

We have a range of terminal disinfectants (as defined by government to be effective against covid-19). These disinfectants can be applied by low pressure sprayer & provide complete disinfectant for vulnerable areas available in 25 litres, through to 1000 litre IBC's.

SE-OSH

Orange Soft Hands

High quality hand soap containing bactericidal properties. Manufactured from biodegradable surface active agents and high quality ingredients. Produces a rich, creamy lather and a thorough cleaning action, yet is mild and gentle on the hands.

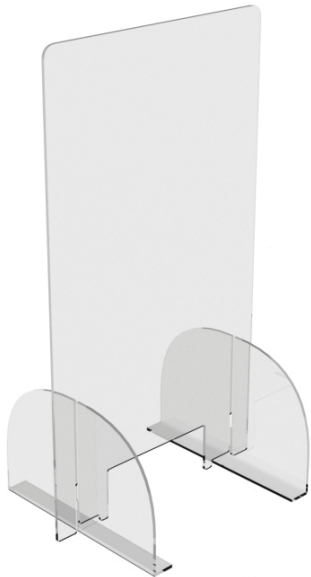

SE-SWD

Antibac Surface Wipe Detergent

Conforms to BS EN 1276 and proven to Kill 99.99% of known germs, including MRSA & E Coli. Bactericidal liquid detergent for cleaning all types of hard surfaces. Contains a blend of surface active agents and approved quaternary ammonium compounds to clean in one operation.

Delivery not included in prices shown and priced upon the quantity ordered.

SE-NITG

Nitrile Gloves

Durable and comfortable disposable gloves feature a smooth exterior finish with textured fingertips and a beaded cuff. Provide wearers with an excellent touch and fantastic grip due to the patterned finish.

SE-FMAS

Face Masks

3-layer Disposable Surgical Face Mask. Comfortable to wear no skin damage. Has the function to stop dust, water, droplets entering the mask and isolate the filter layer. Three layers of protection. Non-irritating to skin, soft, and lightweight

SE-FVIS

Face Shield (Visor)

Face shields are an effective way to protect against airborne droplets and splashes of liquid. This is essential for healthcare professionals and key workers and are supplied to the NHS, care and emergency services.

SE-PROG

Protective Goggles

A great value pair of safety glasses. These lightweight, comfortable glasses offer the wearer a high level of impact protection, ideal for environments where there is a risk of small flying particles or debris potentially damaging the eye.

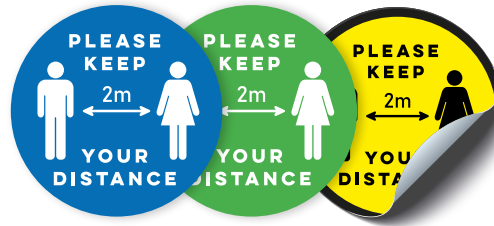

Delivery not included in prices shown and priced upon the quantity ordered.
